

SHELDON FOOTBALL

Expectations of Coaching Staff

1. Ensure players safety.
2. Model the kind of behavior you want your athletes to take on.
3. Accept the responsibility of being a role model for their families, the school, and the community.
4. Place academic success and football success on the same level.
5. Teach kids to love the game, make it fun.
6. Instill in the kids the mindset of COMMUNITY; help them to understand how important it is that they play hard for the community; help them understand that it's important to give back.
7. Prepare the kids for fatherhood and the professional world by teaching them, responsibility, courage, toughness, discipline, dedication and excellence.
8. Assist in planning practice and designing drills.
9. Strongest coaches will be paired up with weaker or less experienced coaches in order to mentor them and assist their progress.
10. Game management; Offensive Coordinator-Defensive Coordinator-Special Teams Coordinator.
11. Coordinators will be expected to assist with the development of all sub-varsity programs including youth feeder programs in the community from Junior Varsity to 3rd grade Pop-Warner.
12. All staff will be expected to attend off-season Weight Lifting and Skill Development events.
