

# TEAM CAMP

This summer the Sheldon Volleyball Program will be participating in the NPJ Varsity Team Camp July 13-15th in Salem Oregon. We have been approved to take two teams, and all returning players are invited to participate. This is a great opportunity for us to start competing at a high level.

It is not mandatory and will not guarantee or determine the teams made during the August tryout.

The cost of camp is \$200 a player. We have an opportunity for fundraising during the June 29th and 30th, U of O concession events. Families are also able to pay in full online. Please see below chart for fundraising details. To sign up for the concessions please contact Chelsea Fosback at [c.fosback.1989@gmail.com](mailto:c.fosback.1989@gmail.com).

Transportation will be covered. Chelsea and I will drive an activity bus up and back each day. We will depart Sheldon at 7:30 am and return between 5:00-5:30 pm.

We will also try to have a team cooler available each day for lunches and snacks. If you are available to help with cooler organization, I would greatly appreciate it.

Please confirm your spot as soon as possible. Deadline is May 17th. If you are unable to attend the camp please let me know so I can fill spots as needed with transfers and incoming freshman. Teams may fluctuate through the camp.

If you have any questions please contact me.
